Mrs J Green

A busy well run show where it is always a pleasure to judge. My thanks to my steward David Denny for all his help and pleasant company.

RUSSIAN BLUE ADULT: FEMALE

1 CC CURTIS CH DENILLANNE CORINTHIA

Mature girl of very nice type and structure; long muscular body on long legs, neat oval paws, tail in proportion. Lovely coat is double with dense undercoat, texture fine and soft and nice to touch; even blue throughout with distinct silvery sheen. Well shaped head has short wedge, good angle to virtually straight profile, firm chin, prominent whisker pads giving broad end to head. Large pointed ears are wide at base, vertically set; green almond shaped eyes are very expressive.

2 BANDY CH TROIKA VASILISA

Elegant girl, long and graceful, long legs with neat paws, tail in proportion. Short dense coat has very nice texture and feels soft, clear blue with silvery sheen, has a few faint bars on the tail. Well shaped head, short wedge, prominent pads, distinct angle to virtually straight profile. Large pointed ears, wide at base, set vertically. Wide-set green almond shaped eyes show very nice expression.

3 NOBLE LARKSONG SUPAFast JELLYFISH

Lively youngster only just a year old and still at the adolescent stage but she looks as though she has promise. Long body is firm and muscular, long legs, small oval paws, moderately long tail is proportionate. Her coat is short and soft with the undercoat still developing, clear blue throughout showing distinct silvery sheen. Her head is still shaping up and the angle not quite developed, profile virtually straight, good chin, whisker pads quite prominent. Large ears wide at base, vertically set; almond shaped eyes are clear green.
